This is the screening checklist to be a recipient. Please, send the results to Dr. Demián Glujovsky

## Recipient:

HIV 1 - 2  HIV 1 - 2  Within last 6 months  HBsAg  Within last 6 months  HCV core antibody  RPR  Within last 6 months  Within last 6 months  Within last 6 months  Within last 6 months  Within last 9 months  HSG or Hysteroscopy or Sonohysterogram  Within last 3 years  GC and Chlamydia culture  Within last 6 months	DI LE OBLE :		
HBsAg Within last 6 months  HCV core antibody Within last 6 months  RPR Within last 6 months  Rubella IgG  Pap smear Within last year  Baseline Ultrasound Within last year  HSG or Hysteroscopy or Sonohysterogram Within last 3 years	Blood Type & Rh Factor		
HCV core antibody  RPR  Within last 6 months  Rubella IgG  Pap smear  Baseline Ultrasound  HSG or Hysteroscopy or Sonohysterogram  Within last year  Within last year  Within last year	HIV 1 - 2	Within last 6 months	
RPR Within last 6 months  Rubella IgG  Pap smear Within last year  Baseline Ultrasound Within last year  HSG or Hysteroscopy or Sonohysterogram Within last 3 years	HBsAg	Within last 6 months	
Rubella IgG Pap smear Within last year Baseline Ultrasound Within last year HSG or Hysteroscopy or Sonohysterogram Within last 3 years	HCV core antibody	Within last 6 months	
Pap smear Within last year  Baseline Ultrasound Within last year  HSG or Hysteroscopy or Sonohysterogram Within last 3 years	RPR	Within last 6 months	
Baseline Ultrasound Within last year HSG or Hysteroscopy or Sonohysterogram Within last 3 years	Rubella IgG		
HSG or Hysteroscopy or Sonohysterogram Within last 3 years	Pap smear	Within last year	
	Baseline Ultrasound	Within last year	
GC and Chlamydia culture Within last 6 months	HSG or Hysteroscopy or Sonohysterogram	Within last 3 years	
	GC and Chlamydia culture	Within last 6 months	
25-Hydroxy Vitamin D Within last year	25-Hydroxy Vitamin D	Within last year	

## Recipients over 40 years old:

CBC	Within last year
Liver enzymes	Within last year
Glycemia (fasting)	Within last year
Creatinine	Within last year
LDL - HDL - triglycerides	Within last year
Mammography	Within last year
Electrocardiogram (EKG)	Within last year

## Partner:

Blood Type & Rh Factor	
HIV 1 - 2	Within last 6 months
HBsAg	Within last 6 months
HCV core antibody	Within last 6 months
RPR	Within last 6 months
